

LEAD ME

VERSE 1

You carry me across my trials.
You lead me to the Promised Land.
Prepare my mind and take my hand
And be with me forevermore.
Be with me forevermore

BRIDGE

When the road takes a turn through life's journey
You'll be the One to help me . . . the One to lead my path.

CHORUS

You are my Light . . . You are my Guide.
I want to be with You.
You are my Rock . . . You are my Fortress.
When I am afraid lead my footsteps
And be my Comfort.
Please come and be by my side.
I want to follow . . . I want to follow . . .
I want to follow You.

VERSE 2

I thank You for the love You give.
You came to give it freely.
Mold my thoughts and guide my heart
To be what you want me to.
To be what you want me to.
