

## Thy Word

### Chorus:

C                      G                      C  
Thy Word is a lamp unto my feet  
         F           G           C  
And a light unto my path  
C                      G                      C  
Thy Word is a lamp unto my feet  
         F           G           C  
And a light unto my path

### Verse 1:

G                      Dm  
When I feel afraid  
Am                      Em  
Think I've lost my way  
F                      G                      F           C  
Still You're there right beside me  
         G                      Dm  
And nothing will I fear  
         Am                      Em  
As long as You are near  
F                      G                      A                      G  
Please be near me to the end

### Verse 2:

G                      Dm  
I will not forget  
         Am                      Em  
Your love for me, and yet  
         F                      G                      F           C  
My heart forever is wandering  
G                      Dm  
Jesus be my guide  
         Am                      Em  
And hold me to Your side  
         F           G                      A                      G  
And I will love You to the end
