

THE COLOURING SONG

E D
Red is the color of the blood that flowed down the face of
A E
Someone who loved us so. He's the perfect man, He's
D A
the Lord's own Son, He's the Lamb of God, He's the only
E D A E
one that can give us life, that can make us grow, that can
D A E
make the love between us flow.

E D A
Blue is the color of a heart so cold that will not bend when the
E
story's told of the love of God for a sinful race, of the
D A E D A
blood that flowed down Jesus' face that can give us life, that can
E D A E
make us grow, that can keep our hearts from growing cold.

E D A
Gold is the color of the morning sun that shines so freely on
E
everyone. It's the sun of love that keeps us warm, it's the
D A E D A
sun of love that calms the storm, that can give us life, that can
E D A E
make us grow, that can turn our morning into gold.

E D A
Brown is the color of the autumn leaves when the winter comes to the
E
barren trees. There is birth, there is death, there is a plan, and there's
D A E D A
just one God, and there's just one Man that can give us life, that can
E D A E
make us grow, that can make our sins as white as snow.
