

Prepare Me

We are stewards of the light
Who walk by faith and not by sight
Victory is ours both day and night
Eyes have not seen nor ears have heard
The treasures that our hearts do yearn
For your soon coming return
Open our hearts up to your Spirit to prepare us for air (chorus)

Chorus

Prepare us for air
Lord, we want to be there
In the Heavenly place
Astounded by your grace
The time is coming soon, we know
When all of us will reap what we have sown. (repeat chorus)

(Sing after chorus is repeated)

Lord I want to be there
I'm going to meet you in the air
Forever by your side, Oh God
Prepare me for air (repeat last line)
