

Lord I Want To Know You More

C Am F Dm
Just the time I think that I'm at peace With the world that's mine
G C F G
I feel at ease, I feel at home And I know I'm not alone
C Am F Dm
Then in my rest there comes a test That shakes me 'til again I know
G C F G
That what I've had is not enough And again I've got to grow

C G Am
Lord I want to know You more
C F C
Deep within my soul I want to know You
F G
Lord, I want to know You
C G Am
To feel Your heart and know Your mind
G F C
Looking in Your eyes stirs up within me
F G C Am
Cries that say I want to know You
F G C
Lord, I want to know You more

C Am F Dm
The full supply I find as I move closer To the heart of God
G C F G
To strengthen me, to nourish me And to fill my mind with Him
C Am F Dm
I've truly grown but even so My hunger hasn't gone away
G C F G
Still I long, still I thirst To know Him more each day
