

## **Father God**

        D                A  
Father God, just for today  
        G                A  
Help me walk Your narrow way  
        D                A  
Help me stand, when I should fall  
Bm                A                G A  
Give me the strength to hear Your call

### **Chorus:**

        D  
May my steps be of worship  
        A  
May my thoughts be of praise  
        G                A                D A  
May my words bring honor to Your name  
(repeat chorus)
